

Raising the performance bar

Mark Worrall

CEO

BBI are specialists within the construction sector:

- **Driving practical improvements**
- **Developing capability**
- **Delivering long-lasting change**

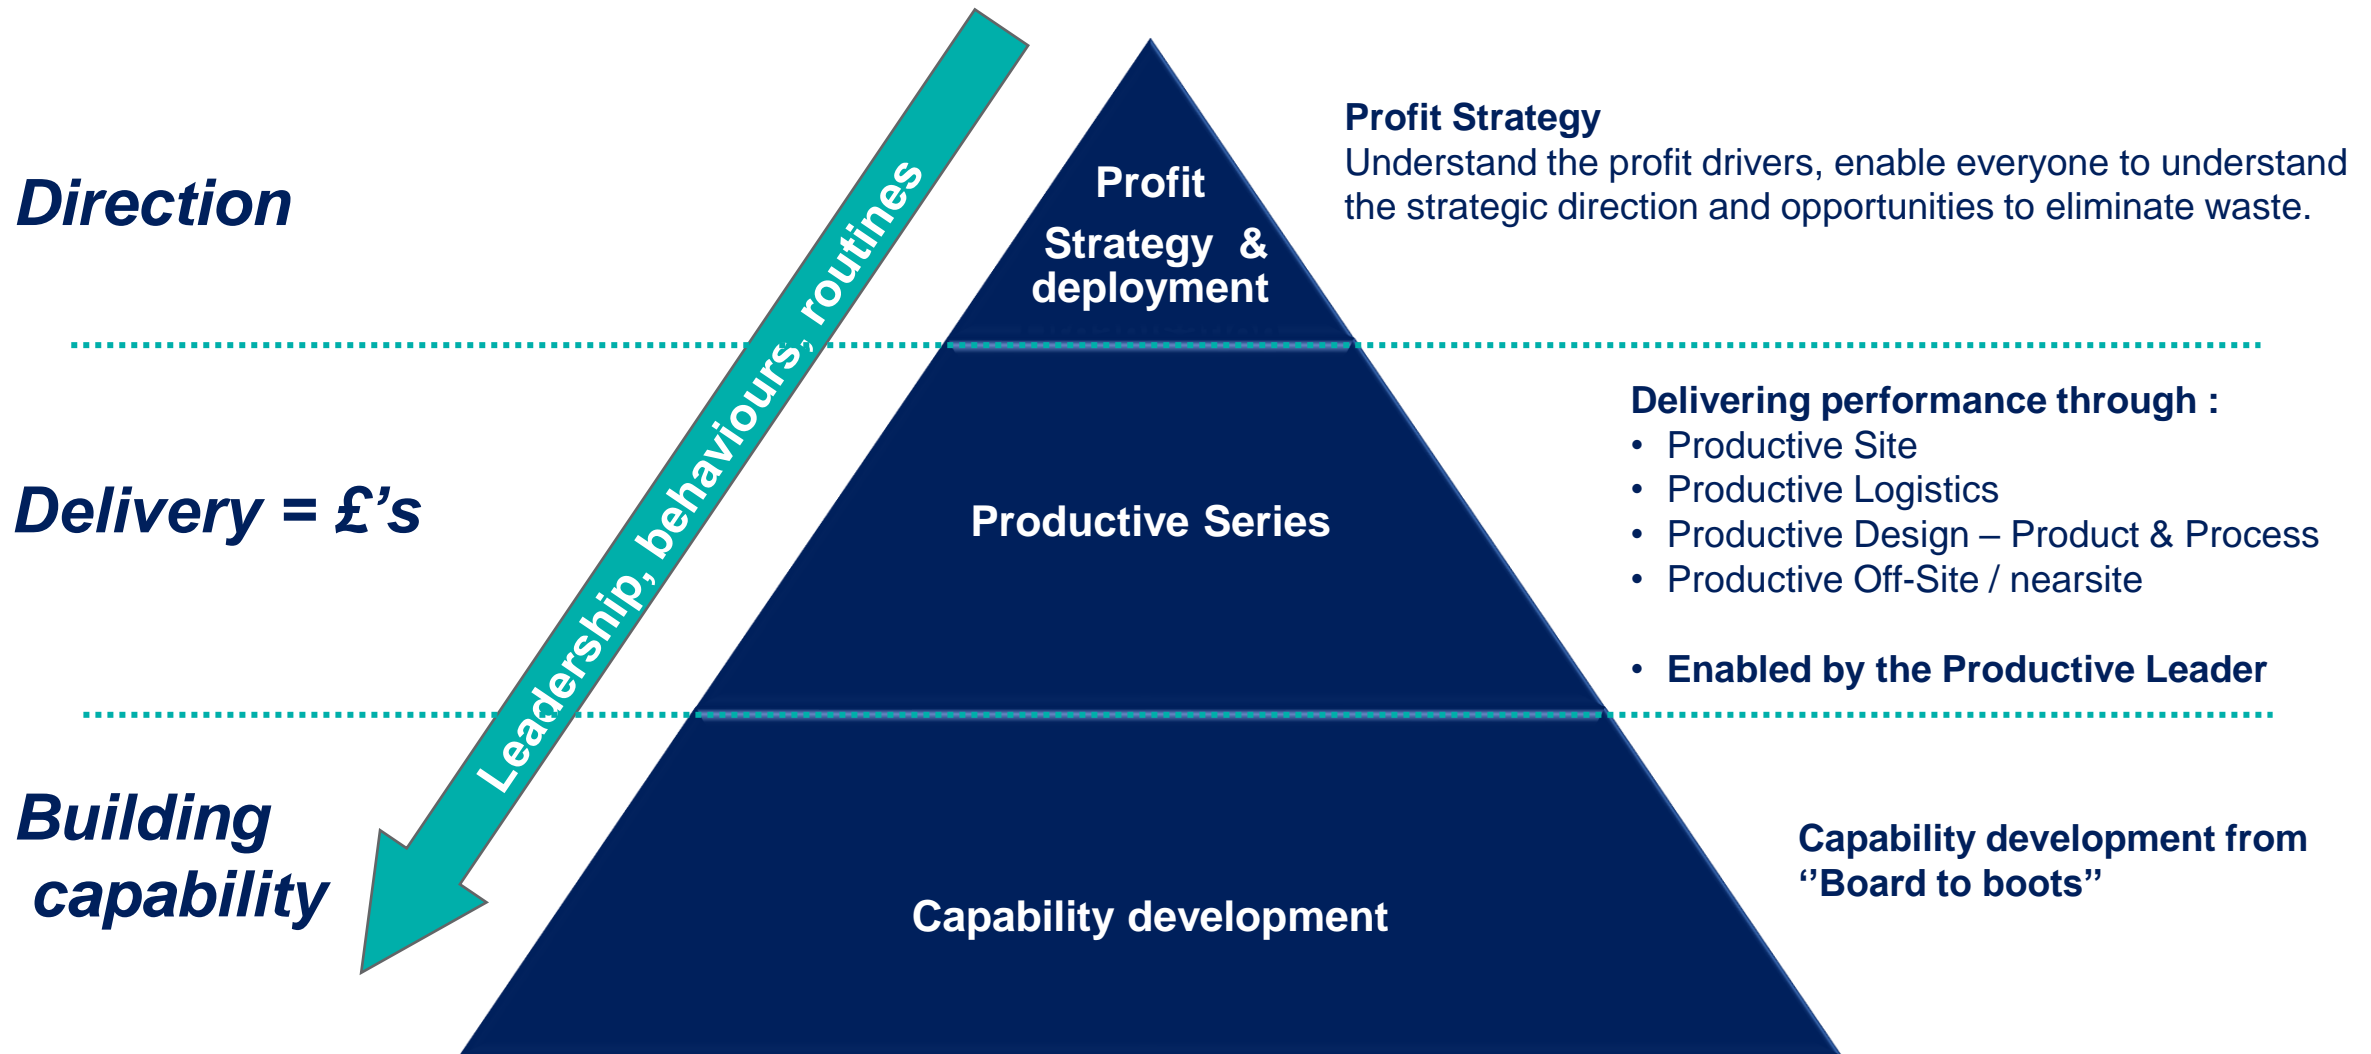

By working collaboratively with your teams

Challenges :

- 🌐 Tight margins – where's the money go?
- 🌐 Busy
- 🌐 Strategic alignment
- 🌐 People & Process focus

BBI – Direction, delivery & building capability = ROI

End to end improvement delivers productivity

- 🌐 Identify the opportunities to eliminate waste & deliver value through an integrated delivery team

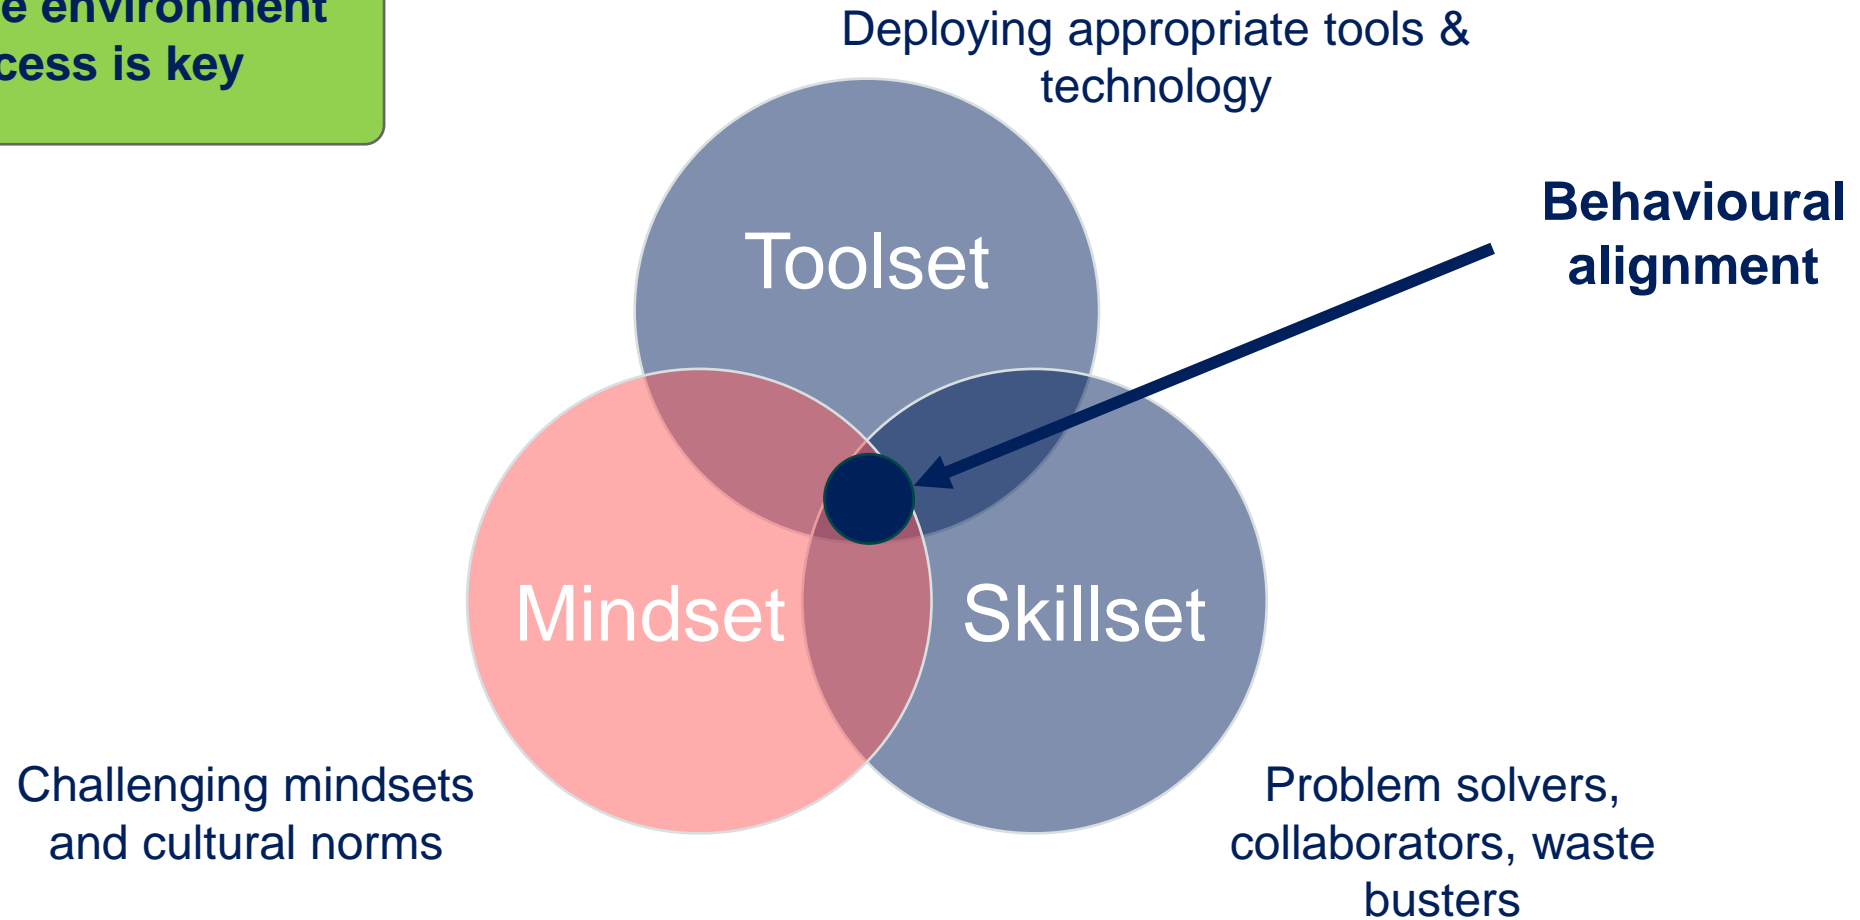

4P's to deliver value, productivity & programmes

Integrating People, Product, Process and Performance levers

Build capability to enable and sustain improvement

**Creating the environment
for success is key**

Challenges

- 🌐 **Leadership**
- 🌐 **Alignment**
- 🌐 **Desire for “shiny” solutions**
- 🌐 **Clients need to focus on Value**
- 🌐 **Continuous Improvement culture - building momentum**

Raising the performance bar

- The solutions are there to be found
- Relentless focus on every area and waste
- Engage and inspire
